Visit the world famous *Angkor Wat (7th Wonder of the World)*, one of the world's most stunning buildings. Angkor was the capital of Khmer that existed from 802 to 1431. Its distinctive five towers are emblazoned on the Cambodian flag, and the 12th century masterpiece is considered by art historians to be the prime example of classical Khmer art and architecture. Angkor Wat's five towers symbolize Meru's five peaks, the enclosed wall represents the mountains at the edge of the world, and the surrounding moat - the ocean beyond. (B)
